About the Emmanuel Cancer Foundation (ECF)

ECF is a tax-exempt 501(c)(3) organization privately funded by individuals, corporations, foundations and community groups. Our mission is to provide a variety of specialized services, at no charge, to any New Jersey family facing the challenges of caring for a child with cancer. Since its inception in 1983, ECF has served over 2,000 families and has become known for providing material and financial support to families battling pediatric cancer. Major hospitals all over New Jersey, New York, Pennsylvania, and even Delaware refer their pediatric oncology patients to ECF so that we may begin to treat the overwhelming consequences affiliated with cancer.
